

## Vernon J. Geberth

Vernon J. Geberth is a retired Lieutenant Commander of the New York City Police Department with over 40 years of law enforcement experience. He retired as the Commanding Officer of the Bronx Homicide Task Force, which handled over 400 murder investigations a year. He has personally investigated, supervised, assessed and consulted on over 8,000 death investigations.

In addition to his B.B.A., Commander Geberth has two Master's Degrees and is a graduate of the FBI National Academy 119<sup>th</sup> Session. He is a Fellow of the American Academy of Forensic Sciences.

Commander Geberth is a member of many Professional and Civic Organizations throughout the United States. He serves on the New York State Governor's Commission on Domestic Violence Fatalities. He is currently a Special Guest Lecturer for the New York City Police Department's Detective Bureau's Homicide School.

Vernon Geberth is President of P.H.I. Investigative Consultants, Inc., which provides state of the art instruction as well as consultation in homicide and forensic case investigations to law enforcement agencies throughout the United States and Canada.

Additionally, Commander Geberth has appeared on numerous local, national and international television programs and has been referenced as a media consultant on a myriad of national major cases across the United States and Canada.

# Practical Homicide Investigation Seminar®

The purpose of the Practical Homicide Investigation Seminar is to provide practical conventional information to the officer in charge with the profound responsibility of conducting an intelligent homicide investigation.

The course of instruction will cover the entire sequence of events which occur in a homicide. The program will then focus on practical tactics, procedures, and forensic techniques which can be employed in sound, efficient and professional homicide investigation.

At the conclusion of the seminar, participants will have acquired a greater understanding of their role as a homicide investigator and should be able to:

- Follow logical steps in the management of a homicide investigation,
- Adequately document a case for future reference or court appearance,
- Identify the various types of wounds and injuries which can result in a homicide,
- Be familiar with homicide cases of a sexual nature,
- Recognize the value of psychological profiling in the solving of homicide cases.

## Who Should Attend?

- Detectives
- Crime Scene Investigators
- Federal Agents (FBI, NCIS, CID, ATF, ect.)
